Chamber's Note

First SMILE event of the year

Starting the Year SMILE-ing

On Thursday 27 January 2022, the second SMILE event took place at the Italian Club. The evening event hosted eighty Smile members, initiating a speed-networking session to encourage the creation of new links between Italian businesses.

Sela Brokers sponsored the event and Sela director Andrea Cavalieri delivered a presentation of the renowned Italian-South African insurance company. In 2018 Andrea's father Giorgio Cavalieri won the Italian

South African Chamber's Business Person of the Year for his work at Sela Brokers.

After the SMILE launch in October, the emergence of Omicron prevented further events during 2021. Now, however, it is planned that the events will become regular occurrences this year, with the next event scheduled to take place on the 24th of March.

Finger food was served by Settebello before many attendees sat down at the restaurant for a full meal. Additionally, wine was generously provided by another Italian-South African household name Acrow. Furthermore, SMILE member Piaggio also put up a display of its tuc-tuc. SMILE members wishing to sponsor and put up stands at future events can contact info@italcham.co.za.

Keep your eyes out for SMILE in other South African cities as the initiative sets up to launch into the rest of the country this year, further extending the network of Italian businesses.
