Welcoming our New Member

Singular is an independent owner-managed strategy and investment consulting firm with a global footprint. We are a fast-growing management consultancy, facilitating long-term strategy development and advising our clients on critical investment decisions. For more than ten years our clients across Europe, Southern Africa, Russia/CIS, Asia and Latin America have enjoyed working with us due to our forward-thinking strategy, first-hand knowledge of the most innovative technologies and solutions, practical approach and execution focus. Our global network of clients and partners provides a unique platform to share ideas across the geographies and industries in which we operate. In everything we do, we aim to help our clients to build bridges between strategy and execution the corporate world and innovative, data-driven business models developed and emerging markets

Welcome to Italcham!!
